

Federal Deaths in Custody Reporting Program (FDCRP)

CJ-13B Detention or Incarceration Death Incident Report - Fiscal Year 2022

The Death in Custody Reporting Act (DCRA) of 2013 (P.L. 113-242) requires the head of each Federal law enforcement agency to report annually to the Attorney General “information regarding the death of any person who is—

“(1) detained, under arrest, or is in the process of being arrested by any officer of such Federal law enforcement agency (or by any State or local law enforcement officer while participating in and for purposes of a Federal law enforcement operation, task force, or any other Federal law enforcement capacity carried out by such Federal law enforcement agency); or

“(2) en route to be incarcerated or detained, or is incarcerated or detained at—

(A) any facility (including any immigration or juvenile facility) pursuant to a contract with such Federal law enforcement agency;

(B) any State or local government facility used by such Federal law enforcement agency; or

(C) any Federal correctional facility or Federal pre-trial detention facility located within the United States.”

In response to the DCRA of 2013 reporting requirements, the Bureau of Justice Statistics (BJS) is conducting a survey of federal agencies with law enforcement, detention, and/or incarceration functions. The survey is designed to identify deaths that occur during the course of official federal law enforcement, detention and incarceration agency functions and to collect additional information about the decedent and the circumstances surrounding the incident.

For the purposes of this survey, please identify all deaths that occur in detention or incarceration facilities. The DCRA defines a detention or incarceration death as “the death of any person who is en route to be incarcerated or detained, or is incarcerated or detained at— (A) any facility (including any immigration or juvenile facility) pursuant to a contract with such Federal law enforcement agency; (B) any State or local government facility used by such Federal law enforcement agency; or (C) any Federal correctional facility or Federal pretrial detention facility located within the United States.”

Please complete one **CJ-13B Detention or Incarceration Death Incident Report** for each **detention or incarceration** death identified in CJ-13 FDCRP Annual Summary for fiscal year 2022. Indicate the decedent’s name, the time and date of the death, the decedent’s demographic characteristics, the circumstances surrounding and leading up to the death and actions and law enforcement during the incident that led to the death.
